

## CRITERIA FOR TEAM OF THE YEAR

A bowler must be a member of the Tulsa Area USBC Bowling Association and must have competed in at least 2(two) certified leagues and have completed at least 66 games to qualify for the Tulsa Area USBC Team of the Year. If you do not have a minimum of 66 games in at least 2 leagues you will not qualify.

The highest average of all the leagues you competed in with at least 66 games will be used. The average posted in the Tulsa Area USBC yearbook for the 2022-23 season will be used.

First Team men and women will be the Top Four in averages, the next four will be assigned to the Second Team and the next two will be honorable mentions.
